

Vision Statement

Mission

To inspire environmental stewardship by fostering connection between people and the natural world through storytelling and community engagement.

Core Values

Connection ♥ *Community* ♥ *Creativity*

Future Initiatives

We strive to nurture a lasting connection between people and the earth across generations with:

- Environmental-focused Literature
- Children's Literature and Activity Books
- Eco-Studio Workshops: a blend of hands-on nature experiences and creative expression
- Educational curriculum, games, and toys
- Partnerships with local conservation organizations

Let's Connect

Whether you're interested in supporting, partnering, or participating, we'd love to hear from you.

The Chain: Connection in the Florida Keys

Our inaugural project is an anthology of poetry, fiction, and nonfiction written by residents of the Florida Keys.

Through story, the collection aims to:

- Highlight the Voices of Local Writers
- Reconnect People with Nature
- Encourage Stewardship
- Support Conservation
- Celebrate Community

This project is sponsored in part by the Florida Keys Council of the Arts and 100% of anthology sales will be donated to Florida Bay Forever.
